Dear [Redacted]

STAT

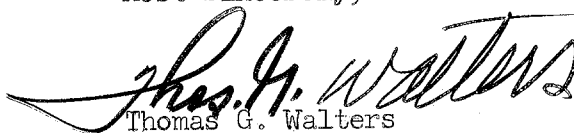

As you are probably aware, we keep a file of the Constitution and By-Laws of each employee organization sponsoring a health insurance plan which participates in the Federal Employees Health Benefit Program. A recent review of the file leads us to believe that in some cases our copies may not be up to date.

Since the contracts between the Commission and all participating Plans will soon be due for renewal, we would appreciate your sending us a copy of the most recent printing of your organization's Constitution and By-Laws.
